

Headwaters Youth Conservation Corps

- Youth serving America
- Youth serving communities
- Youth serving the conservation cause

Youth serving in Headwaters Youth Conservation Corps (HYCC) have provided over 83,000 hours of service since the program was started in 1999. **HYCC would like to thank the many volunteers, supporters, partners, and donors** that have made the dream of youth conservation service a reality for 149 teens and young adults in Chenango, Delaware & Otsego Counties.

HYCC partners with the AmeriCorps National Service Program and other education - job training programs to provide a unique conservation service experience that benefits both youth and the community.
