

BUILD SUPERIOR COMFORT INTO YOUR HOME WITH ARXX

1 MAKE IT COMFORTABLE

Arxx walls dramatically reduce drafts and 'cold spots' compared to conventional construction, helping to maintain constant temperatures in your home throughout the day.

2 BUILD IT STRONG

Arxx walls are solid, strong and extremely durable. The structural integrity of steel reinforced concrete provides exceptional protection for your home from wind blown debris during hurricanes, tornadoes and storms.

3 KEEP IT QUIET

Arxx walls are quiet, keeping the outside noise out and the inside noise in, with an STC of 50 or higher.

4 MAKE IT BEAUTIFUL

If you can imagine it, you can build it with Arxx – any shape, any size – curved walls or straight walls. Finishing is easy with Arxx patented exposed web. Directly attach any interior or exterior finish you desire.

5 BUILD IT GREEN

Save energy, save the environment and save money with Arxx. With two layers of insulation and a solid concrete core, an effective R Value equivalent of up to R-50 or higher can be achieved.

Awarded – Arxx ICF is New York State approved, UL tested and had been awarded Healthy House by the American Lung Assoc. and Outstanding Green Product, Energy Star.
