

HOW CAN HOSPICE & PALLIATIVE CARE OF CHENANGO COUNTY HELP YOU DURING COVID-19?

ARE YOU OR A LOVED ONE:

- Currently living with chronic or terminal disease?
- Making frequent visits to the hospital emergency room due to a chronic or end stage disease?
- Concerned for your health and safety with a chronic illness due to the COVID-19 pandemic?
- Worried about managing pain and other symptoms while staying out of providers offices?

**If your answer to any of these questions is YES,
Hospice & Palliative Care of Chenango County
has a program that may be right for YOU!**
