

## Dear Boys and Girls,

This year has been different for everyone. Santa has been noticing how all of you have been good with all the changes. School, birthday parties, and sports to name a few. Continue to be good boys and girls. Because of the Covid-19 virus Santa has to follow the rules also. Mrs. Claus and Santa won't be able to make their annual visits to schools, stores, parades and the igloo. Santa will be coming to your homes Christmas Eve and cookies and reindeer food can be left out.

All the elves on the shelves will be making their visits to your homes. They do report back to me every night.

Everyone is healthy here at the North Pole. Mrs. Claus is making sure all the elves are wearing their masks and washing their hands. The toy shop has been busy.

One thing about Christmas that will never change is "Christmas is love".

Everyone can let Santa know what they want for Christmas by writing me a letter and dropping it off at the following locations.

- Commerce Chenango
- Chenango Arts Council
- Creative Works
- Lowes
- Pire's Flower Basket
- The Igloo
- A Little Herbal Shoppe
- The Pink Door
- Annie's
- Tractor Supply
- Service Pharmacy in Norwich and Sherburne
- Sherburne Big M
- Norwich Post Office
- The Pennysaver

### **In your letter please put your:**

*Name/Elf on the Shelf Name*

*Mailing Address*

*What you would like for Christmas*

Continue to be kind.

Merry Christmas!

# Santa
