

# Smell Gas? Act Fast!

Get outside, then call:  
911 or 800.572.1121

## SMELL

for **rotten eggs**, which has a similar smell to the odorant added to natural gas.

## LOOK

for a **hazy white cloud** in the air or bubbles in a puddle or water outside.

## LISTEN

for **hissing or blowing sounds** of natural gas escaping from pipes or appliances.

**NYSEG**
