With last minute touchdown UV Storm grasps late win over Greene

GREENE - It took about a quarter to warm to the task of playing football in March, but the Greene Trojans and Unadilla Valley delivered a barnburner Friday night on the eve of spring.

The Storm, led by quarterback Kyler Butts, drove for the winning touchdown with 1:28 to play, and held off a late Greene drive in a 26-20 victory at George L. Raymond Field on Friday night.

Butts had a day - a really good day - rushing for 217 yards and two touchdowns, but it was a 12-yard hookup with Colin Gilbert that provided the winning

margin.

Butts also found Gilbert on a 35-yard TD pass to open the scoring.

"Their quarterback was the difference in the game," said Greene head coach Dave Gorton. "He broke tackles and broke contain, but he also showed nice patience finding the open receiver. We'll have to do a better job against him when we play them later this year."

Tristan Austin and Damien Hitt had outstanding opening games for the Trojans (0-1).

Austin was nearly Butts' equal rushing for 184 yards, which included TD runs of 74 and 56 yards. Austin's latter score, combined

with his two-point run chaser, tied the game at 20-20 with nine minutes left in the fourth.

Hitt finished with six catches for 80 yards and one touchdown, and he led the Greene defense with 14 tackles.

"Hitt was outstanding for us on both sides of the ball," Gorton said. "He was in on every big play all game, and Austin did a great job at running back, but he also filled in at quarterback when Titus got hurt."

Greene's final pos-

session of the game ended at the UV 41 as a fourth-down pass completion left the Trojans a half-yard short of extending a game-tying drive.

"We had a lot of kids play great, and this morning they were really sore," Gorton said. "But they were happy because they had a football soreness. (A few months ago), it didn't look like we would have a season. As it became closer to becoming a reality, we all got really excit-

ed. This season we're playing for pride, and having an opportunity to represent our community."

Friends of Rogers 2nd Annual Electric Car Raffle offers Tesla

SHERBURNE - Friends of Rogers announced their second annual Electric Car Raffle on Friday.

This fundraising raffle features a prize of a 2020 Tesla Model 3, (\$36,000) ARV. The raffle runs from March 19, 2021 at 10 a.m. to October 15, 2021 at 6 p.m.

The drawing will be held on October 21, 2021 at noon, at Rogers Center and will be open to the public. Tickets are \$5 each or 5 tickets for \$20 and other bundles are available. All details and rules for the raffle can be found on their website, www.FriendsofRogers.org or www.FriendsofRogers.org, click on "Win a

Tesla."

The first raffle, held in 2020, was a successful endeavor, even while the buildings were closed to the public and with ever changing COVID restrictions for events and in-person activities.

Friends of Rogers staff were able to educate people on the features of driving an electric car and hopes to continue this as an annual piece of environmental education. The winner of the 2020 raffle was Virginia Huerfeld of Glenmont, NY.

The raffle in 2020 brought in revenue from ticket sales online, by mail and by phone all while the camps and

other programs had to be cancelled. This weekly revenue helped to sustain the nonprofit during the worst of the COVID restrictions and will again in 2021.

Executive Director Simon Solomon said "We enjoyed introducing people to the electric vehicle last year and look forward to showing the car and educating people on driving electric this year too. We also raise money for our environmental education programs in the process, which helps us while the buildings are closed, and camps are still questionable."

Rogers' Director of Development Heather Tehan added "With the temporary move of the

store from the Visitor Center to the Bird Cabin this year, we expect that more people will see the car. Being closer to the trout ponds will allow for more people to buy fish food and other items in the store as well."

The Visitor Center construction is underway with a fall 2021 date in mind for the unveiling of the new building with new exhibits and the brick campaign patio installation. As always, the trails are open and fish food available in the dispensers near the trout ponds.

Bird Cabin during store hours, by appointment or by chance. They also have the 3rd Electric Car Show scheduled for October 3rd to join with National Drive Electric Week. Last year's event brought 22 EV's on property with a variety of electric vehicles on display and test rides given.

You can register for the event at driveelectricweek.org.

Rogers Center is operated by Environmental Education Center, Inc., a nonprofit organization that offers educational programs for people of all ages. The staff is currently working in shifts between home, Bird Cabin, and the Visitor Center. The Visitor Center building remains closed to the public with the restrooms open Friday through Sunday 7 a.m.-7 p.m. and during any programs.

Ward School No. 2 assessment supported by Preservation League of NY

NORWICH – In anticipation of Ward School No. 2's 125th anniversary later this year, the Chenango County Historical Society (CCHS) has been given a Technical Assistance Grant (TAG) to help fund an assessment of the historic structure.

Awarded by the Preservation League of New York State and its program partners, the grant supports a Limited Building Condition Assessment currently being conducted by The Chazen Companies.

"We are incredibly grateful to the Preservation League and its partnering organizations for this grant," said Joseph Fryc, CCHS operations manager. "The building condition assessment of Ward School No. 2 is a project that has been on our radar for quite some time, and with these funds we can finally take the critical first step in giving the building the love it deserves."

Through this process, CCHS aims to better understand the long-term preservation needs of the facility, ensuring that the historic site remains the home of the organization for future generations. The assessment will also help determine the feasibility of future building improvements in order to better accomplish the mission of CCHS.

"Our goal is to provide the best experience pos-

sible to our guests here at CCHS," said Fryc. "We hope that there will be many exciting improvements in our future that will bring us closer to achieving that goal."

The Preservation League of New York State and its program partners at the New York State Council on the Arts, Robert David Lion Gardiner Foundation, and Hudson River Valley National Heritage Area awarded \$96,644 to 26 projects, spanning 18 counties across New York state as part of their 2020 TAG cycle. The purpose of the TAG program is to support a number of cultural nonprofits and municipal entities that steward historic buildings throughout New York state in preserving and maintaining the heritage and structural integrity of their sites.

Since the program's launch in 2012, TAG has provided support to nearly 155 preservation projects.

First established in 1939, CCHS received an absolute charter in 1956. Ward School No. 2 was acquired in 1958 with renovations beginning immediately. Since reopening as a museum in 1962, the former school's campus has been home of the CCHS for more than five decades. The primary organization dedicated to actively and comprehensively preserving the history of Chenango County, CCHS celebrates local culture – unique traditions, noteworthy residents, and unusual stories.

Norwich man selected as Veteran of the Year by American Legion Auxiliary

BY ZACHARY MESECK
GAZETTE STAFF WRITER

NORWICH – After more than 30 years of service in the Army along with numerous hours donated to helping other veterans, Norwich resident Edwin Tucker was selected as American Legion Auxiliary Unit 189's Veteran of the Year.

According to American Legion Auxiliary Unit 189 President Sophie Liberatore, the Veteran of the Year Program was started locally this January, and Tucker deserved the recognition.

"This is a special program we started a couple months ago where we select a veteran to honor throughout the year," said Liberatore. "This year we chose Ed Tucker, as not only did he have an extended and outstanding military service, but he has also been a huge asset for our auxiliary unit here."

"Ed does so much for our post including placing flags in both St.

Paul's Cemetery and at Mt. Hope as well."

When asked about the award and his service, Tucker said it was a surprise but he was happy he could help out. He said while he just had his 84th birthday, he plans to continue volunteering for the foreseeable future.

"I'm pleased and surprised, I don't do things for myself," said Tucker. "I did 30 years in the Army, and I was a Sgt. Major, it's just the way I handle business - it's hard not to do it now."

"We moved back here in December of 2014, and I've been in the Legion since January of 2015."

Tucker said he went into the Army on January 29, 1960, and got out on January 31, 1990. He said that while he got out more than 30 years ago at this point, he still remembers his service fondly and appreciates what it did for his family.

He added that he served in numerous places around the world including Africa, Libya, Hawaii, Vietnam, North Carolina, Germany,

and Kentucky.

"And then one day it was all over, and I have nothing derogatory to say about my time," said Tucker. "I don't know if you want to spend 30 years like I did, but it was nothing but good for me and my family."

"Do it if it's what you want to do."

Tucker said he is hoping to continue to serve the Norwich area, and he could use the community's help with an upcoming project. He said there are still hundreds of former military members that have passed away, which are buried in Chenango County but don't receive recognition on Memorial Day.

He added that each of those individuals deserve to have a flag near their graves, and anyone with information about service members who typically don't get a flag are asked to reach out to the legion.

Anyone interested in donating their time to that effort are also asked to reach out to the American Legion at (607) 334-9414.

Sherburne-Earlville suffers setback against Onondaga

By Robert Jeffrey
Gazette Sports Contributor

NEDROW – The Marauders girls varsity basketball team found themselves back on the hardwood Tuesday night when they traveled to take on the Onondaga Tigers, with the Tigers advancing 62-48 on the night.

S-E fell behind in the first quarter 17-8 as the Tigers’ Arianna Baker made her presence felt early on as she tacked on 15 points in the first quarter for the hosts. But the Marauders fought back in the second quarter; outscoring the Tigers in the period 14-13. S-E’s Tessa Cole and Alexis James combined for 12 points in the stanza with both scoring six points apiece.

Onondaga came out of the halftime break on fire the Tigers’ Baker and Riley Cox leading the way on offensive combing for 12 points of their teams’ 18 points in the third quarter. But the Marauders’ tried to keep pace as Tessa Cole scored nine of her

team’s 13 points in the period.

In the final period, the Tiger’s kept the visiting Marauders at arms-length as Onondaga held on for the 62-48 victory.

Tessa Cole led the Marauders in scoring on the evening adding in 21 markers with Alexis James pitching in 10 points.

Arianna Baker led Onondaga in scoring with a game-high 31 points.

Sherburne-Earlville is back in action tomorrow night when they travel to take on New York Mills with game time slated for 5:30pm.

NEW YORK MILLS

– In a year of that has been highlighted by waiting for approval to play and at times some intermittent turbulence, the Sherburne-Earlville Marauders varsity girls basketball team capped off their 2021 basketball season with a 71-40 win over Section III foe New York Mills.

Breaking free of a recent losing streak, Sherburne-Earlville’s offense got going in

a hurry in their last game of the season, putting up 43 points in the opening half, as offensive production came from nearly every corner of the S-E roster. The quartet of Tessa Cole, Alex Kober, Hanna Todd-Rogers and Trinity Thornton combined to score 28 points of their team’s points in the first half.

With the Marauder offense rolling like a steamroller, their defensive pressure held New York Mills to 13 first half points. As a team- the Marauders recorded 20 steals in

the game—Chesnee Miller led the team in steals with five, Madison VanAlthuis and Tessa Cole each recorded four steals.

Sherburne-Earlville kept up their all-around play in the final 16 minutes of play as they cruised to a dominant victory over New York Mills.

Tessa Cole led S-E in scoring with 20 points and seven assists, Alex Kober scored 14, Hanna Todd-Rogers and Trinity Thornton each added in 10 markers of their own. With Todd-Rogers leading

the team in boards with eight.

Emerald Knights defense leads to win over Marauders in season finale

By Robert Jeffrey
Gazette Sports Contributor

HAMILTON

– Defense was the name of the game on Saturday March 13th for the Sherburne-Earlville boys’ varsity basketball team as Hamilton put on a defense-display in the first half, as the Emerald Knights defeated S-E 62-46.

It was all business for Hamilton in the first half as their defensive pressure took center stage holding the visiting Marauders to 12 points in the opening 16 minutes of play. Turning defense into offense the Emerald Knights went to work,

scoring 16 and 17 points respectively in the opening stanzas. Zach LaFrance and Sami Cigeroglu were the offensive work-horses for the Emerald Knights as LaFrance scored 10 points and Cigeroglu added in eight points before both teams headed for their respective locker rooms at the break with Hamilton holding a commanding lead 33-12.

The young S-E team exited half-time looking to make a statement, already having made a comeback earlier in the abbreviated season; the Marauders took up the task of putting the ball in the basket.

S-E outscored Hamilton in the second half 34-29, but couldn’t hold Hamilton on defense as a 17 point third period for the Emerald Knights extended their lead at 50-22 entering the final period as Hamilton cruised to victory.

Taylor Gryzmkowski lead Sherburne-Earlville in scoring with 18 points on the night, Jack Rodman added in 10 points of his own; all of which came in the fourth quarter.

Sami Cigeroglu lead the Emerald Knight with 16 points, Zach LaFranch pitched in 12 points and Tom Simpson added in 10 points.

Canastota races past S-E gridders

By Patrick Newell
Gazette Sports Contributor

WATERVILLE – Sherburne-Earlville’s defense had no answer for Canastota running back Devon Youker.

Youker scored four of his team’s touchdowns in the first half helping his team build a huge bulge in a 35-0 victory over the Marauders on Saturday afternoon.

“He was awesome,” said Sherburne-

Earlville coach Ed Holmquist of Youker. “He’s a quality athlete, and really, (Canastota’s) whole program is top-notch.”

According to unofficial statistics, Youker had TD runs of 42 and 72 yards in the opening stanza as the Red Raiders built a 21-0 lead.

With the lead expanded to 28-0 late in the first half, the Marauders’ offense drove inside the

Canastota 20 before turning the ball over with a fumble.

Youker then delivered a back-breaker scoring on an 89-yard scoring dash with less than a minute left before halftime.

Neither team scored in the second half.

“In the second half, I felt that we settled in, and offensively, moved the ball more,” Holmquist said. “We still had untimely turnovers, but the defense

did a better job getting into the right position, and making plays.”

Derick Miller led the Sherburne-Earlville rushing attack with 52 yards on 11 carries, and Ben Menard rushed for 41 yards. As a team, S-E finished with 155 rushing yards.

Holmquist said the move back from 8-man to 11-man football this season -- and having just two weeks to prepare for the first game -- was the hardest two

weeks of his coaching career, but is glad his team is back on the field.

“Obviously, it’s an uphill challenge, but it’s been worth it,” Holmquist said. “...no excuses (for this loss), it is what it is. We have to own it on all levels. As coaches we need to improve, the players have to improve - the whole program needs to improve.”

Sherburne-Earlville (0-1) plays its “home

opener” Saturday against Westmoreland on the turf field at Sauquoit Valley High School. Game time is 11 a.m.

Spring Whiskers

If you asked a few people for a sign that spring is here, you would likely get a handful of answers that get repeated. Flocks of robins in the yard, hearing Canada geese on their northern migration, daffodils popping up, and the final disappearance of the compacted snow piles left from plowing all are signs that people use to gauge that winter is finally in the rear view.

Another sign of spring that many anglers look forward to is bullhead fishing. While it is not an early spring activity, the bite can get crazy in a hurry. Bullheads head to the shallows where the water warms up faster which brings more food sources, and they

school up ahead of their spawning season in late spring when the water temperature reaches 70 degrees.

Bullheads are easy to catch and do not require fancy equipment so almost anyone can give it a try without investing a lot into it. Since they do not get overly big, a medium action rod is all you need. Load your reel with 8-pound test line and you are good to go. As scavengers, bullhead will eat about anything so bait can vary from chicken livers to leeches but nightcrawlers are the most popular option. Use a number 6 hook on a snelled leader in case the fish swallows the hook too far, that way you can grab another leader and hook to keep

fishing. Retrieve the swallowed hook when you clean you catch at home. Some anglers like to fish their bait close to the bottom while others prefer to use bobbers to better see when they get a bite.

While they can be caught during the day, bullhead fishing is mostly done from sunset into the wee hours of the night using lanterns or flashlights. Consider using a bell on the end of your rod to let you know when a fish is biting in the dark or use a lighted bobber. Some other gear to bring with you is a chair, a stick to set your rod on, needle nose pliers in case of deep swallowed hooks, and a bucket or cooler to carry your catch home in.

Popular locations for catching bullhead include inlets into bodies of water such as creek mouths. A common tactic is to fish the mud-line. The water coming into the lake is often muddy from runoff or spring rains and makes a distinct line compared to the clearer water of the lake. Fishing on the line where bullhead roam looking for easy food that is brought in from the flowing water puts your bait in prime position to get eaten. If fishing from shore, you want to be fishing in 3-4 feet of water.

Handling bullheads is where some people have issues. Armed with barbs in their pectoral (front) and dorsal (top) fins, they can cause a lot of pain. Grab the fish from the top directly behind the gills being sure to compress their pectoral and dorsal fins against their body. Then use your other hand to work your hook free.

Many people enjoy eating bullheads that they catch. Make sure to clip the barbs from the fins when cleaning you catch. Bullhead can be prepared with the skin on or with the skin removed. Battered and fried is a common cooking method but using a smoker to cook the meat is a growing trend.

So if you are looking for something new to try this spring and want to get outside where you can hear the chorus of spring peepers, look into fishing for bullheads.

Sheriff's office: Inmate found dead of blood infection in his cell

NORWICH – On Thursday Chenango County Sheriff Ernest R. Cutting announced the death of an inmate at the Chenango County Correctional Facility, who was found non-responsive in his bunk on Wednesday.

According to the sheriff on March 17, at about 1:30 a.m. Chenango County Correctional Officers discovered an unconscious male inmate on his bunk, inside his cell.

The inmate was identified as 22-year-old, Dillin R. Button.

Button was brought to the Chenango County Correctional Facility on Monday, March 15, by the Norwich City Police Department after he was arrested on a court warrant for seventh degree criminal possession of a controlled substance.

“Correctional Officers made several attempts to awake Mr. Button, followed by performing life saving measures. Members of the Norwich Fire Department responded to the scene and continued CPR on Mr. Button. He was later pronounced deceased, and an investigation into his untimely passing was initiated,” stated Cutting.

The sheriff's office reported that on

Thursday morning an autopsy was performed at Lourdes Hospital in Binghamton and Dr. Robert Stoppacher who ruled Button's death as a result of a bacterial blood infection of the heart (Endocarditis) and pneumonia.

“During the course of the investigation, it was determined that approximately two weeks prior to his incarceration, Mr. Button responded to a hospital and was diagnosed with a bacterial blood infection and pneumonia. Mr. Button checked himself out of care before receiving complete treatment. Medical documentation stated that Mr. Button risked death if he left the hospital without further treatment,” reported the sheriff's office in a statement.

“The sheriff's office expresses our sincere condolences on the shared loss,” said Cutting.

Upon receiving notification of the incident Wednesday, Cutting said he and Chenango County Undersheriff Daniel Frair immediately responded along with members of patrol and the detectives division.

The sheriff's office was also assisted with the investigation by the NY State Police BCI investigators.

During the immediate investigation the sheriff said 31 inmates and 10 sheriff employees were interviewed. The investigation is ongoing and additional interviews are being conducted.

DCMO BOCES fire extinguished without injuries

NORWICH – The Norwich Fire Department responded to the scene of smoke coming from the DCMO BOCES Sugar House yesterday afternoon, and officials said fortunately there wasn't significant damage to the building.

According to Norwich Fire Department Chief Jan Papelino, at approximately 4:42 p.m., on Wednesday, a 911 call was received with the caller stating that heavy smoke was spotted from the DCMO BOCES Sap House.

Papelino said upon arrival emergency

responders noticed a pot that had appeared to have had sap in it was left on a gas stove cooking. He said the sap had boiled down to just sugar, which caught fire.

He added that no one was injured in the incident, and the building doesn't appear to have sustained any significant damage.

DCMO BOCES District Superintendent Perry Dewey reported that no students were present at the time of the incident.

“We are fortunate that no one was injured or present at the facility,” said Dewey.

Dewey commented that the facilities team will conduct a thorough investigation to identify permanent solutions to the issue that caused the fire.

He also reported that the campus will continue its normal operation. “The Sugar house was the only facility affected and will remain closed until all issues are resolved. We thank our first responders for the prompt assistance.

Their timely response prevented further damage to the campus facility,” said Dewey

Letter to the Editor

YMCA Is Ready To Expand and offer more....

Dear Editor,

One year ago, the Coronavirus entered our lives and changed our community forever. Businesses were closed, schools transitioned to remote learning, and we all learned exactly how far six feet measured. Fear, anxiety, and depression set in for many of us as we were forced into isolation, unable to see our family and friends.

While the recent announcement by Governor Cuomo to increase capacity at restaurants to 75% is a positive sign for our community, it also highlights the inconsistent decision-making by the Governor. If indeed we are relying on science and data to inform decisions, then why would the Governor continue to restrict capacity at YMCAs when contact tracing has shown that zero cases of COVID-19 originated at the Y, with just .004% of visitors having tested positive?

At our Norwich YMCA, we have had 30,000 membership scans between September 2020 and February 2021, a 57% decrease during the same time period of time last year. Within New York State, during the same time period, there have been 2,607,409 visits at YMCAs with 109 positive cases documented at Y's while at the Norwich Y, we have had two known reported cases regarding a member that had Covid during the last six months. The most important statistic to highlight is that there have been ZERO reported cases originating at a YMCA in New York State.

After keeping our health and wellness activities closed for nearly six months, and enforcing onerous capacity restrictions, the Governor must afford YMCAs with equal opportunities that other industries already have. YMCAs are fighting for their survival, seemingly on an uneven playing field. In 2020, YMCAs in New York State lost an estimated \$275 million in revenue. These losses, coupled with a statewide 71% decrease in usage, have threatened our ability to provide programs and services to our community and especially those that rely on our services, the vulnerable, families and seniors.

Safety continues to be our foremost priority. Increasing capacity at YMCAs will allow more New Yorkers to have a safe place to improve their physical and mental wellbeing. Studies are already indicating that obesity is increasing in children and adults by almost 8% from last year alone, and mental health may be the next pandemic that impacts generations.

At the Y, we are prepared to tackle these challenges and help our community with all our might, but until we are able to open our doors to more people, YMCA's will continue to struggling to survive. At your Norwich YMCA, we have worked very hard to weather the fiscal and operating challenges of 2020, but 2021 will be our greater challenge as we are open but with restrictions still in place and limitations on programming. With decreased members and programs our membership and program revenue will not keep up with the operating costs. We have been a steward in our community for 159 years and we will continue to work hard and diligently for our members that need us.

I encourage our members and community, to visit the Y and see our many safety changes, policy changes and improvements that we have made since we reopened in September.

Additionally, I sincerely hope that the Governor and our legislators will begin rolling back our capacity restrictions before it's too late for many of our YMCAs in New York.

Respectfully,
Jamey Mullen,
CEO, Norwich Family YMCA
Board Chair, Alliance of New York State YMCA's

SUDOKU

Fun By The Numbers
Like puzzles? Then you’ll love sudoku. This mind-bending puzzle will have you hooked from the moment you square off, so sharpen your pencil and put your sudoku savvy to the test!

Here’s How It Works:
Sudoku puzzles are formatted as a 9x9 grid, broken down into nine 3x3 boxes. To solve a sudoku, the numbers 1 through 9 must fill each row, column and box. Each number can appear only once in each row, column and box. You can figure out the order in which the numbers will appear by using the numeric clues already provided in the boxes. The more numbers you name, the easier it gets to solve the puzzle!

STATE OF NEW YORK SUPREME COURT, CHENANGO COUNTY ar In the Matter of the

Foreclosure of Tax ar Liens by Proceeding In Rem pursuant to p ar Article Eleven of the Real Property Tax Law by Chenango County

PETITION AND NOTICE OF FORECLOSURE (NON-RESIDENTIAL PROPERTIES)
Index No. 2015x805
Re: Parcels previously withdrawn due to bankruptcy filing.

Petitioner, William C. Craine, Chenango County Treasurer, states as follows:
1) The above-captioned proceeding is hereby commenced to enforce the payment of delinquent taxes or other lawful charges which have accumulated and become liens against certain property. The parcel to which this proceeding applies is identified on Schedule A of this Petition, which is annexed hereto and made a part hereof. This document serves both as a Petition of Foreclosure and a Notice of Foreclosure for purposes of this proceeding.
2. On December 18, 2015 a list of delinquent taxes in compliance with Real Property Tax Law § 1122 was recorded in the office of the Chenango County Clerk, specifying all parcels of real property affected by delinquent tax liens held and owned by Chenango County for non-payment of 2015 taxes.
3. Effect of filing: All persons having or claiming to have an interest in the real property described in this petition are hereby notified that the filing of this petition constitutes the commencement by Chenango County, the tax district, of a proceeding in the court specified in the caption above to foreclose each of the tax liens therein described by a foreclosure proceeding in rem.
4. Nature of proceeding: This proceeding is brought against the real property only and is to foreclose the tax liens described in this petition. No personal judgment will be entered herein for such taxes or other legal charges or any part thereof.
5. Persons affected: This notice is directed to all persons owning or having or claiming to have an interest in the real property described in this petition. Such persons are hereby notified further that a duplicate of this petition has been filed in the office of the Enforcing Officer of the Chenango County tax district, William C. Craine, and will remain open for public inspection up to and including the date specified below as the last day for redemption.
6. Right of redemption: Any person having or claiming to have an interest in any such real property and the legal right thereto may on or before said date redeem the same by paying the amount of all such unpaid tax liens thereon, including all interest and penalties and other legal charges which are included in the lien against such real property, computed to and including the date of redemption. Such payments shall be made to William C. Craine, Chenango County Treasurer, 5 Court Street, Norwich, New York 13815. The only forms of payment accepted are cash, certified check, bank check or money order. For information regarding the outstanding amount due call Delinquent Tax Services at (607) 337-1493. In the event that such taxes are paid by a person other than the record owner of said real property, the person so paying shall be entitled to have the tax liens affected thereby satisfied of record.
7. Last day for redemption: The last day for redemption is hereby fixed as the 1st day of June, 2021.
8. Service of answer: Every person having any right, title or interest in or lien upon any parcel of real property described in this petition may serve a duly verified answer upon Alan E. Gordon, the Attorney for the Chenango County tax district, setting forth in detail the nature and amount of his or her interest and any defense or objection to the foreclosure. Such answer must be filed in the Office of the

Chenango County Clerk and served upon Alan E. Gordon, the attorney for the Chenango County tax district on or before the date above mentioned as the last day for redemption.
9. Failure to redeem or answer: In the event of failure to redeem or answer by any person having the right to redeem or answer, such person shall be forever barred and foreclosed of all his or her right, title and interest and equity of redemption in and to the parcel described in this petition and a judgment in foreclosure may be taken by default.
WHEREFORE, petitioner demands that a judgment be entered herein pursuant to Real Property Tax Law §1136 in favor of Chenango County and against all persons, including the state, infants, incompetents, absentees and non-residents who may have had any right, title, interest, claim, lien or equity of redemption in or relating to the properties subject to this proceeding.

LOOKING FOR AN AFFORDABLE USED CAR?

SICK OF BUYING rusty junk off of Craigslist and then spending more than you paid for it trying to get it functional or to pass inspection? At Central Auto Sales I take pride in buying quality cars that are still in excellent condition that can supply you with many miles of service in the future. I typically buy my cars from states south of NY to avoid the rust associated with local cars. I have a nice selection of cars in the affordable \$3-5K range, most are low miles or low miles for the age. I'm a lifetime resident of Norwich. Buy from someone local. No pressure, no fancy hype, just quality cars at fair prices! Central Auto Sales LLC, 429 Manley Road, Norwich. www.centralautosalesllc.com 607-336-6371.

New Berlin Library Corner

Easter Masks at the Library

The New Berlin Library is giving away adult sized Easter face masks. The masks are disposable 3ply face coverings with elastic ear loops. The masks feature rabbits, Easter greetings, and flowers. These masks are available at the circulation desk and are one per person, while supplies last.

Additionally there is a children's Easter give-away. This event is for children ages 12 and younger. The give away will include a small tote, an Easter craft, small Easter themed toys, and Easter Candy. Supplies will be limited and on a first come first serve basis. Ask at the circulation desk and enjoy some Easter fun.

The next bi-monthly New Berlin Library Board of Trustees meeting will take place on Wednesday, March 31st at 6pm in the community room. New Berlin Library Board of Trustee meetings are open to the public.

Some great new additions to the library include: Another Lifetime Ago by Ben Marney, The Magicians: New Class by Lev Grossman, The Magician's Land (Magician's Trilogy) by Lev Grossman, The Magicians: Alice's Story (Graphic Novel) by Lev Grossman, Becoming Mrs. Lewis by Patti Callahan and Win by Harlan Cobin.

The New Berlin Library is located at 15 South Main Street, New Berlin. The Library is open Monday and Wednesday 10AM-8PM; Tuesday, Thursday, Friday 10AM-5PM; and Saturdays 10AM-noon. The web address is <http://libraries.4cls.org/newberlin/wp/>. Please contact us at 607.847.8564 or like and message our Facebook page New Berlin Library and Museum (<https://www.facebook.com/newberlinlibrary.newberlin-ny>) or Twitter page @Lib_NewBerlin (https://twitter.com/Lib_NewBerlin) with any questions.

Mandrills are the largest species of monkey in the world. They are found in the tropical rainforests of West Africa. While most people won't remember their name, the mandrill's brightly colored face and rump make them one of the most recognizable species of animals in the world.

You Know The Drill

Wild mandrills have a life span of about 20 years, while mandrills in zoos have been known to live for more than 40 years.

Two of the main threats to wild mandrills are habitat destruction and hunting by humans.

Monkey Business

In addition to their colorful faces and behinds, mandrills also have red spots on their ankles and wrists.

Mandrills are active during the day and sleep high in the treetops at night.

Mandrills are very noisy.

Male mandrills are usually twice the size of females.

Why are mandrills popular? They are colorful characters.

Shortcuts by Jeff Harris

A Colorful Look At The Mandrill

This edition of Shortcuts is sponsored by Howie Mandrill.

I have a talent for being a funny guy.

Mandrills are omnivores that feed on fruit, grass, fungi, bark, seeds, eggs, insects, worms, snails, reptiles, amphibians and even small mammals. They have special cheek pouches that allow them to store food to eat later.

Females in a group work together to raise their young.

Mandrills have extremely long canine teeth. Males may have canines as long as 5 cm (2 in.). They use their long canine teeth for defense, but will also bare their teeth as a gesture of friendship.

What tools did the troop use to fix their tree? A man-drill and a monkey wrench.

Mandrills live in groups called "troops" with about 20-40 members. These troops will often join other troops to form a huge group that may number in the hundreds.

The color on a mandrill's rump brightens when they are excited or agitated.

How did the mandrill do on her test? She passed with flying colors.

What do you get when you give a mandrill a flashlight? Monkey shines.
