

# Smell gas? Get out fast!

Then call **911**  
or us:  
**800.572.1121**

## Smell

We add a harmless chemical called mercaptan to natural gas. It smells like rotten eggs.

## Sight

You may see a white cloud, mist, fog, blowing dust, or bubbles in standing water.

## Sound

You may hear an unusual noise like roaring, hissing or whistling.
