

COLGATE UNIVERSITY

HVAC/Preventative Maintenance Technician - Full Time

QUALIFICATIONS:

At least one of the following is required:

- Certificate from an accredited apprentice program in the field of HVAC/R
- Graduation from certified trade school plus one-year work experience as HVAC/R technician.
- Proof of five consecutive years as a Journeyperson working in the field of HVAC\R.

Ability to diagnose complex system issues without guidance required.
Ability to work independently and with a team, and outside contractors required.
Must be available to work evenings, nights and weekend hours as required.

PREFERRED QUALIFICATIONS:

- A combination of additional education and/or experience related to instrumentation and control systems.
- Working proficiency specifically in Schneider Electric EcoStruxure and BACnet.
- Experience working with system sequence of operations, system graphics and configuring & mapping system points.
- A demonstrated knowledge of control theory, automatic temperature controls, building automation systems and other building subsystems.

EDUCATION/CERTIFICATONS:

A minimum of a high school diploma or equivalent is required, or a combination of education and experience from which comparable skills are attained. EPA 608 Certification (Universal Refrigerant Technician) is preferred at the time of hire and will be required as assigned.

Pay: $36.88/hr. To Apply visit https://careers.colgate.edu/postings/7109 EOE/AA
