

DESIGN DEPARTMENT

We are looking for a team member to join our design department. Candidate must be proficient reading blue prints, possess excellent time management skills, verbal and written communication skills, and organizational skills with attention to detail.

Duties will include take offs from engineered drawings, cost estimation and preparing shop drawings of miscellaneous metal components, fabricated rebar, handrails, wear parts, and replication of customer samples. AutoCAD and/or Solidworks experience is required. Candidate will work closely with our fabrication department. Pay \$65,000 - \$80,000 depending on experience plus benefits.
